L&C School Carnival a Big Success--All Had Fun!!

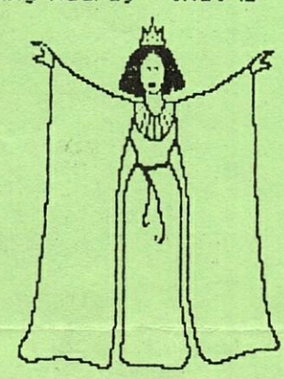
There was alot of Clowning around with teachers, staff, and students working together in the best interest of the school. Hats off to Judy Hauer and the LC Parents Club along with the many volunteers who made the evening such a success.

Hundreds of people attended the big top last week and over $1500 dollars were raised for the many Parent's Club projects which benefit the school. Their next fundraiser is at the Astoria Crab Festival.

Royalty in Our Midst

Readers may be surprised to learn that we have a princess living nearby--that is a Regatta Princess. Cheri Springer was recently named to the 1988 Regatta Court. Cheri is the daughter of Dick and Elaine Springer who live in the Youngs River Area. She is captain of the AHS varsity rally squad.

We wish her the best of luck in all of her upcoming activities and look forward to seeing this year's Regatta.



FIRE DEPARTMENT GOING BACK TO SCHOOL?

Members of the L&C volunteer Fire Department have been attending a Clatsop College sponsored course on emergency medical procedures. Taught by Medix instructor Zane McKnight, the L&C Dept. members are learning practical lessons and textbook guide lines for handling emergencies from CPR to childbirth.

Our goal has always been to offer you a wide selection and variety of the newest movies on video. We think you'll find many of the latest hit movies on their day of release, just like the bigger video stores in town.

Unlike the Video "chain stores" we don't require you to buy memberships in order to rent movies from us. We offer you a choice to join Country Video Club and save money every time you rent video movies. Memberships cost only $10 and give your family 50c off every tape you rent--making two tape rentals just $4--lower than many stores downtown. Our rentals are fast and simple. Prices are just as low as when we started and no increased prices for new releases like some video places.

We still want to make renting here convenient and since we're open at 6 am everyday and close at 10 pm you should have plenty of time to rent and return videos on time. People
